Your Dream Wedding
Without Breaking the Bank

weddings

Denise Vivaldo

author of the popular Do-It-for-Less! Parties

From the author who brought you ***Do-It-for-Less! Parties***: Denise Vivaldo has planned and catered more than 10,000 parties, from numerous prestigious events and scores of post-premiere and wrap parties for Hollywood movies to parties for real people who require perfection on a budget. She is the founder of Food Fanatics (a full-service catering and media food styling company), has styled food for countless nationally syndicated television shows, and teaches catering and food styling seminars and workshops across the country and internationally. Her other popular books include *How to Start a Home-Based Catering Business*, and *How to Start a Home-Based Personal Chef Business*.

How do you plan an unforgettable wedding on a tight budget?

Do-It-for-Less! Weddings: How to Create Your Dream Wedding Without Breaking the Bank provides all the information brides- and grooms-to-be need to know to plan their special day and enjoy the event they have always wished for.

This all-in-one wedding guide provides:

- fresh ideas for eight original seasonal weddings including complete menus and recipes for service to 12, 25, 50, and 75 guests, each with complete do-it-yourself thematic decorating plans
- helpful charts and checklists to ensure the bride and groom stay organized, on task, on time, and within (or under) budget
- cost-saving tips and professional advice on invitations, clothing and accessories, flowers and decorations, gifts and favors, music and entertainment, and photography and videography
- reception location and logistical details — choosing the perfect location and making all the details work
- bar basics and beverage guides that tell you how much you need and ways to save money
- simple, elegant, make-your-own wedding cake instructions include professional (yet achievable) cake decorating ideas
- handy resources section guides you to all the right places to locate what you need for less
